Welcome to LONGVILLE

WELCOME TO LONGVILLE

Longville is blessed with many natural gifts — sparkling lakes, golden sand beaches, pristine forests, and abundant wildlife. We invite you to experience all that Longville has to offer. Stay at our fine lodging properties, fish our “great lakes,” visit our shops and restaurants, and enjoy our many activities.

The Longville Lakes Area Chamber of Commerce offers an extensive schedule of activities for all ages, all year long. These include our world-renowned summer turtle races, our famous daylong Fourth of July celebration, a “fly-in/drive-in” pancake breakfast at the Longville airport, and a very hometown Christmas tree lighting, complete with free hot chocolate and horse-drawn wagon rides.

- Holiday meals and celebrations
- Bingo
- Potlucks
- Picnics

A Place To PLAY

CAPTIVATING YEAR-ROUND

Our pristine lakes are our calling card. The Woman Lake chain is the acknowledged jewel of the area, with Girl Lake bringing boaters right into downtown. But the Longville area encompasses everything from small, quiet lakes to Leech Lake, the third largest in Minnesota.

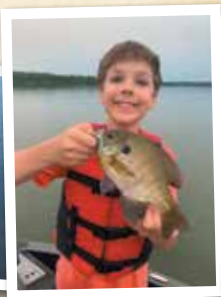

The Water

In the summer these blue waters beckon fishermen and water skiers, canoes and sailboats, kayakers and swimmers. The tall pines and sandy beaches offer the perfect place to enjoy a book, a game of sand volleyball, or an evening campfire with songs and s'mores. And the fun doesn't stop when the lakes freeze over because that ushers in ice fishing season!

Nestled in the heart of Minnesota's lake country, we have resorts and campgrounds on eleven area lakes that offer some of the best fishing in the state. In addition to the much-sought-after walleye, anglers find muskies, northern pike, large- and small-mouth bass, crappies, bluegills, sunfish and other panfish, perch, tullibee, and rock bass in our waters.

Many of our lakes are connected by rivers and channels that offer miles of uninterrupted paddling via kayak or canoe.

2022 FISHING SEASON

- May 14 Walleye & Pike Fishing Season Open
- May 14 Bass Fishing Season Opener (Catch & Release Only)
- May 30 Bass Fishing Opener (Season Opener)
- June 4 Muskie Fishing Season Opener

The Woods

Water isn't all we have — our forests are nearly as famous as our lakes. We embrace a portion of the beautiful Chippewa National Forest and offer more than 100 miles of paved trails for bikers and inline skaters, plus specially designated routes for ATVs and OHVs. In the winter these routes accommodate snowmobiles, cross-country skiers, and snowshoers.

Longville offers a direct connection to the renowned Paul Bunyan State Trail via designated bike routes along County Roads 5 and 11. The Paul Bunyan trail is the longest bike trail in Minnesota, running 112 miles from Brainerd to Bemidji. It also connects with the Heartland, Blue Ox, and Cuyuna State Recreation Area trails, offering endless opportunities for hiking, biking and mountain biking, inline skating, cross-country skiing, running, geo-caching, and much more.

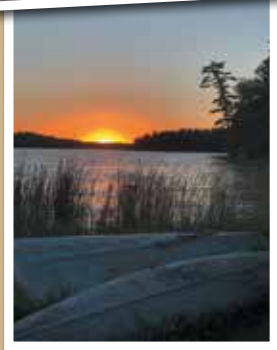

In the beautiful Chippewa National Forest, a section of the North Country Trail tracks right through the Longville area. As America's longest National Scenic Trail, it offers hikers a unique opportunity to explore nature at its best. There are also hiking trails — and learning opportunities — at Deep Portage Learning Center, located on Big Deep Lake between Longville and Hackensack.

The Longville area is the perfect place to look for bird species, wildflowers, or just take in nature's serenity with a quiet walk in the woods.

Hunting and trapping are also popular and our varied wildlife habitats offer the perfect opportunity to take full advantage of all the seasons. With all the lakes, plus state and national forests nearby, you're never far from a place to hunt or trap. Popular quarries include deer, bear, grouse, ducks, geese, turkeys, rabbits, and fox.

Parks and Nature Centers

When you're in Longville, you're never far from an outdoor experience.

Longville's Stuart Park offers a pavilion with picnic tables and barbecue grills, a playground, pickleball, shuffleboard, tennis and sand volleyball courts, and skating rinks. The nearby Deep Portage Learning Center is an environmental learning center that offers hiking and skiing trails that are open to the public.

The Leech Lake Recreation Area in nearby Federal Dam offers scenic hiking trails plus camping and RV sites right on the lake shore. Camping, swimming, hiking, and sites for day-rental are also available at Mabel Lake National Forest Campground, located on Hwy. 200 north of Longville.

Nearby are the Cuyuna Country State Recreation Area, 5,000 acres of mostly undeveloped land with trails and lakes in and around the mining pits abandoned three decades ago; Schoolcraft State Park, a virgin pine forest with the Mississippi River running through it, popular with campers, hikers, canoeists and fishermen; Savanna Portage State Park, where you can hike the Continental Divide Trail, ride bikes, swim, fish, ride snowmobile trails, or cross-country ski; and Itasca State Park, 32,000 acres with everything from the headwaters of the Mississippi River and Preacher's Grove to a 2,000-acre Wilderness Sanctuary.

A Place To STAY

Surrounded by nature's bounty, Longville offers our visitors a variety of ways to enjoy staying in the north woods. Whether you want rustic camping or full-service resorts, a tent site for two or a cabin that can host your entire family, you will find whatever you need to create a vacation that perfectly suits your needs.

Check the map and fold-out grid between pages 15 and 16 to discover what each of our unique lodging properties has to offer. The properties are listed by lake and specify their individual amenities, from the availability of playgrounds and internet to whether they have kitchen facilities, fireplaces, handicap accessibility, groceries, or boats for rent. You will also see whether they invite you to bring pets.

So come to Longville, enjoy your stay, relax – and plan to visit again soon.

Longville Turtle Races

When June arrives, the Longville Chamber brings the famous turtle races to town. On Wednesday afternoons, starting in June and ending in August, racers and their families converge on the racing circle right in downtown Longville, to enjoy food, fun, games, contests — and, of course, the iconic turtle races. This is how Longville earned the official title, “Turtle Race Capital of the World.”

Volunteer

It's easy to get to know people in Longville. If you'd like to get involved, just find something you're interested in and join the fun. We depend on our volunteers — and truly appreciate them.

The Longville Lakes Area Chamber of Commerce has many opportunities for business people and individuals alike. There are also the Longville Area Community Foundation, the Longville Lions Club, the Petal Pushers Garden Club and the Woodtick Wheelers ATV/OHM Club.

You may also consider the Longville Lakes Area Snowmobile Club, the Minnesota Deer Hunters Association or the Young-At-Heart Senior Club.

The Longville Area Food Shelf/Tossed & Found Boutique and Northland Area Family Service Center offer programs and services for those in need, while the Sherman A. Yochum VFW Post 772 and Auxiliary serve our veterans.

See our Non Profit members on page 16 for an all-inclusive list of other opportunities to volunteer or get involved.

4th of July and more Chamber

Longville is famous for its old-fashioned 4th of July celebration, known for its daylong offerings of food and fun. Things start off in the morning with inflatable games for the children. People arrive early to line the streets for the parade, which comes right through town, followed by games for kids and adults. The day winds up with a spectacular fireworks display over Girl Lake.

Other summer activities include the Turtletown Art Fair and “a fly-in/drive-in” pancake breakfast sponsored by the Chamber, the Longville Flyers, and the Longville Firemen.

When autumn arrives, the chamber sponsors “Oktoberfest” with Opening Ceremonies in 2021 on Thursday, September 16th and an all day event downtown on Saturday, September 18th.

The Chamber’s year is rounded out by participating in the Halloween SPOOKtacular at Camp Olson YMCA; sponsoring the popular “Brunch, Bubbles and Bling” Holiday Champagne Breakfast the second Saturday of deer hunting season, and hosting the very hometown lighting of the town Christmas tree the Saturday after Thanksgiving. The holiday season is then officially ushered in with open houses at many Chamber member businesses.

A PLACE TO PLAY

Activities Throughout the Year

In addition, the Chamber holds the charitable gambling license for Longville, so the Chamber is responsible for the pull-tabs, meat raffles, and horse racing at four locations: Patrick's on Girl Lake, the Dockside in Longville, the Anchorage Inn on Inguadona Lake and Pikedale Lodge on Leech Lake.

By law, proceeds must be reinvested in the local community. Funds generated by charitable gambling are donated to many nonprofit organizations and projects throughout the year. Funds generated by charitable gambling are donated to many nonprofit organizations and projects throughout the year.

Chamber members are as busy as the Chamber itself, sponsoring events like art fairs, book and bake sales, holiday concerts, Music in the Park, and the annual Memorial Day program. There truly is something for everyone in Longville.

The Longville Lakes Area Chamber of Commerce hosts a variety of events and activities throughout the seasons, sure to create lasting memories.

In early March, Longville celebrates winter with an exceptional fireworks display on Girl Lake. Then the Longville Lions partner with the Chamber to host the popular Easter EGGStravaganza, a free event with hidden Easter eggs and candy and prizes for local children.

Next up in May is the "Global 6K for Water," an event that raises funds for clean water worldwide.

Now, the summer season of activities has begun! Please see our Calendar of Events at the front of this Guide for an extensive listing of all our events and activities throughout the year.

A PLACE TO PLAY

A Place To LIVE

MORE THAN YOU EXPECT

For a small town, Longville is a vibrant community that offers a surprisingly complete lifestyle. And, if you're interested in getting involved, there are plenty of opportunities to volunteer in a variety of areas of interest.

Exceptional Facilities

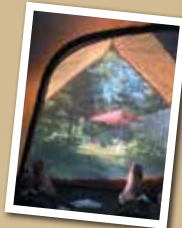

Public Library We're the smallest town in Minnesota to have a public library — and our Margaret Welch Memorial Library is a member of the Kitchigami Regional Library System, which serves five counties and links us to programs and resources far beyond our municipal borders. There is also an active Friends of the Library group that organizes events and fundraisers to support the library and its mission.

Medical Care for All Your Needs Longville is fortunate to have a primary care clinic right in town. The clinic's affiliation with the Cuyuna Regional Medical Center (CRMC) in Crosby directly links patients to the high-tech services of a comprehensive medical center. We also have a pharmacy downtown and 24/7 emergency medical care available through the North Memorial Ambulance service.

Municipal Airport

We're one of the smallest towns to have a municipal airport (KXVG). Our airport offers the longest runway in a 50-mile radius, capable of handling small business jets, 24-hour self-serve fuel, and a courtesy car.

Located less than a half-mile north of town on Highway 84, the airport is within walking distance of downtown. Because Longville is centrally located among some 400 area lakes, when you touch down here, it's a quick getaway to your favorite resort or vacation spot.

The airport offers a safe location for the North Memorial Air Care helicopter to intercept critical medical and trauma patients, and also provides a base of operations for local pilots who donate their time and aircraft for charitable flights through nonprofit organizations such as Angel Flights and Veterans Airlift Command.

The City of Longville is the airport's governing authority, working with a volunteer citizen advisory board. The Longville Flyers, an active flying group, meets informally occasionally. For further information contact Steve Shallbetter, 218-821-0779.

The Arts

The Arts Learning Center in Longville offers classes for everyone — learn acrylic or watercolor painting, fiber arts, and more. Your work will be an enjoyable reminder of being “up north,” and you can also enjoy our Arts/Crafts/Music Fairs and Wine and Cheese Receptions during your stay.

The Art Crate features the techniques of Tom Kutschied, local artist. At his classes and other events, you can develop artistic talents you may not even know you have.

The volunteer Longville Area Community Choir, under the direction of Eunice Benson, is comprised of some 60 singers and performs at several community events, including the Memorial Day program and an annual Christmas concert.

Local Government / Schools

The Longville area encompasses the City of Longville and the surrounding townships of Boy Lake, Inguadona, Kego, Pine Lake, Trelipe, Wabedo, and Woodrow. Contact information is available on the Longville Chamber website, www.Longville.com, under the Community>Local Government tab.

We are also served by several public and private schools, including the Northland School District #118 in Remer and the Walker-Hackensack-Akeley School District #113 in Walker. Local students also attend the Immanuel Lutheran School in Walker, Eagle Country Christian Academy in Remer, and the Bug-O-Nay-Ge-Shig magnet school in Cass Lake.

Making a Home

Our real estate professionals offer extensive expertise for helping you buy or rent a local property. We also have experienced contractors who can help you build the home of your dreams, or remodel an existing property into anything you can envision.

Utilities providers bring the amenities you're used to right into your home. Necessities like electricity, propane, telephone and internet, plus garbage pick-up, septic maintenance, and the services of a demolition landfill, are all available. We also have recycling bins behind City Hall for public use.

A Place To WORK

EVERYTHING YOU NEED

Start a business. Relocate your business. Buy an existing business. Work from home or go to work at one of our thriving enterprises. Longville's business environment is receptive, supportive, and able to provide everything you'll need to succeed, from real estate and construction, banking and financing, to planning, research, mobile phone and internet services.

The Longville Lakes Area Chamber of Commerce promotes the area through activities, events, and year-round outreach. The City of Longville and surrounding townships work closely with the Cass County Economic Development Corporation, which offers free consulting services on everything from financing to strategic planning. The Blandin Foundation and the Initiative Foundation work to strengthen the economy and communities of Central Minnesota, and there are several programs through the University of Minnesota-Extension that address community economics and vitality.

So, if you're looking for a place to play, work, and live, take a look at Longville. You'll like what you see.
