

Due to the closure of Hwy. #200 and the necessary rerouting of the detour from County Road #5 into Longville, it makes it impossible to hold our Turtle Races July 28th and August 4th. Sorry for the inconvenience, and please stay updated at the Longville Chamber's Facebook page or our website at www.longville.com in case of unexpected changes.

Thanks for your participation in our Turtle Race event, and hoping for a normal schedule for 2022!!!
